It is an action arcade game also known as Mustapha Token game. From NearFile you can download this game completely Free. Mustafa Game Review Mustafa Game or Cadillac and Dinosaurs was one of the most popular games. It was played on token machines with joysticks in past. At that time it was also known as the Mustapha Token game. This old famous game was first released in Japan in 1993. Capcom is the developer of this game. It is an arcade classic game. Gameplay Cadillac and Dinosaurs Mustafa Game Gameplay on PC - NearFile.Com In this game, up to 3 players can play at a time for helping each other. This game has 8 stages. Every stage has a powerful boss who must die to clear that stage and start the one. There are 4 Heroes in this game. Each of them has there own strength and weakness: Jack (Balance type)Jack Tenrec loves nature very much. He is the leader of this team. His special power is "Sliding Attack"Hannah (Skill type)Hannah Dundee is a very genius scientist. His special power is proficiency in using items and jumping higher than other characters. His other special ability is "Triangular Jump"Mustapha (Speed type)Mustapha Cairo is a skilled engineer. His special power is "Incredible Speed"Mass (Power type)Mass O'Bradovich is a gentle giant. He is the strongest hero of all. His Special power is "Flying Lariat". While playing this game, you may find some titular dinosaurs which attack both players and enemies. By moving forward you will find some items in your path which will help you to win this game. Like food, this will increase your health, if it decreases. Weapons will help you to defeat enemies as these have more hit points than the players. You can also throw weapons at enemies which will decrease their health much. Fighting with enemies in Cadillac and Dinosaurs Mustafa Game - NearFile.Com When you were defeated, one of the enemy bosses holds a gun to the player in a first-person

well. He stays like that for 20 seconds. If the player doesn't continue to play the game this time, the boss fires, and the game over. The graphics quality of this game is not so good as it was developed in 1993 and comparing the games of that time, the game graphics are quite well. It is a 2D game and in past, it is only available for token game machines. But now you can play it on your PC without any issues. RAM: 256MB. HDD: 500MB of free space. Operating System: Windows 7 or above. This game is tested by us on Windows 7 (64 bit) and Windows 10 (64 bit). Pros Can recall your old memories Action and addictive game Great time killer. Can be played with your friends. As it supports multiplayer functionality. Free to download and install. Easy setup process. Easy to control the characters. Can be played on low-end PCs. Cons It is a 2D game. Low graphics as it is one of the oldest game. No ability to save game state. Mustafa Game FAQ You can download Mustafa Game from this page. Just click on download and your download will start immediately. In this game, up to 3 players can play at a time for helping each other. Just click on the download button and you will get both the download option to download the game and the installation tutorial video. Capcom is the developer and the publisher of the Mustafa game. They released this game in 1993 for the arcade machine. You can download and install this game on your Android phone by installing its APK file. You can find this APK file on Google. Cadillac game or Cadillac and Dinosaurs game was one of the most popular games in 1994. It is an arcade game created for arcade machines. But now it's also available for PC. Capcom is the developer and the publisher of the Mustafa game. They released this game in 1993 for the arcade machine. You can start the Cadillac and Dinosaurs game by inserting coins into a token machine. But if you play on a PC then you can start the game by pressing the 5, 6, or 7 keys. Conclusion Cadillac and Dinosaurs Mustafa Game not only got positive reviews from its users but also got love from them. In 1993, this game was the most popular game in Japan. You can play this game on your PC by downloading the files from this page and following the instruction given here. Our Usage We had played this game when we were young. We used to go with friends to play this game on the Token machine. But after a long time playing this game on a PC, really made us happy. When we tested this game, we didn't stop until we have completed all the levels. If you are a new generation gamer then I will recommend you to try this game only one time to know about old times. Cadillac and Dinosaurs is a small fighting video game that was released in April 1993. It is the best fighting game with four best characters ever. The playstyle of our players is slightly different from other fighting games. You can never play such a great fighting game in this size. The recently uploaded game was EA Sports Cricket 2007 PC Game Free Download Full Version, you can click on this link to get that file. EA Sports Cricket 2007 is a fantastic sports game with several features. You've to follow that red link to get that game. The developers and publishers of Cadillacs and Dinosaurs are Capcom. They published this game in the Arcade version. In those days, computers were not that much famous, so Arcades were used to play games. But later, every Arcade game was replaced, and the previously released Arcade Games were played on PC by using an emulator. The modes are two, one is Single Player, and the second is Multiplayer. Its Multiplayer mode is a little bit different. You cannot use any online tool to play this game online. But you have to assign the control buttons of another player. So that is how its Multiplayer mode works, and these days we call this mode Split-Screen. How To Download This Game? This is a tiny game with a size that is smaller than expected. So there is no need for any Torrent Application. Using any direct downloading program can help you download this game in less than no time. I suggest every user should use IDM to get files with direct links. How To Install This Game? It is effortless to install this game because you don't have to fix it. You've to download the game from our website and then play. But you must follow these steps: Download game file by using IDM After downloading open folder where you downloaded the game Now click on the game icon. Play and enjoy That's it We have updated the file of this game, so now it is easier for you to play. The previous data was in Rar format, so you have had to extract that file before playing. So that's how you can play this game. You will not face any problem inevitably, but if you still meet one, then please tell us about your questions in the comments section. Features of Cadillacs and Dinosaurs of PC These are some best features that are included in this game, and I hope you will like them, and you will feel when you will play this game. High and Stunning Graphics Awesome Action and Adventure Scenes Advanced Fighting Tactics 4 Fighting Characters Difficult Stages To Clear Boss Mode in Every Stage is Included Awesome Soundtrack These were some features that you're going to experience while playing the game. I don't think I've ever seen any game with a 12 MB file size containing such features. If you know the name of any similar game, then please tell us, we will upload it on our website. Game Producers of Cadillacs and Dinosaurs These are some developers, directors, and producers of this game, and this is a little information about them. Developers are Capcom Studios Publishers are Capcom Studios The mode is Single Player Only Release Date is April 1993 Genre is Fighting So now comes the last step, and that is system requirements. We've explained each and everything that was related to Cadillacs and Dinosaurs game, but System requirements are the central part of it. System Requirements Operating System = Windows XP, Vista, 7, 8, 8.1 and Windows 10 CPU = Pentium 3 Processor = 800 GHz RAM = 256 MB Disk Space = 30 MB Approx Graphics Card = 16 MB Keyboard Mouse Sound After doing all things thoroughly, you've to click on "Link Page" to get that desired game.
