Below are some examples of the props we have available, but if you have something particular in mind, please ask to see if we have the item before your photoshoot. You are also able choose from a selection of backgrounds, including coloured paper backgrounds and various surfaces (wood, concrete, marble, linen, etc), as well as smaller items such as coasters and plates. You can see examples of these in our portfolio.We're more than happy to source specific backgrounds, props or fresh items (such as flowers) if required, however we will need at least two weeks notice to order these in ahead of your photoshoot.
